Specifications

SQUARE D

## Non-Reversing Starter Size 1P, 2-Pole, Melting Alloy Overload +Options

8536SCO2V01SX11

Discontinued

### Main

|               |               |
|---------------|---------------|
| Product Type  | Starter       |
| Product Range | S             |
| Starter Type  | Non reversing |

### Complementary

|                        |                                |
|------------------------|--------------------------------|
| Nema Size              | 1P                             |
| Rated Current          | 27 A                           |
| Number Of Poles        | 2P                             |
| Maximum Voltage Rating | 600 V AC                       |
| Phase                  | 1 phase                        |
| Type Of Overload       | Melting alloy 1                |
| Horsepower Rating      | 3 HP 115 V AC<br>5 HP 230 V AC |
| Coil Voltage           | 24 V AC 60 Hz                  |
| Control Circuit Type   | Separate control circuit       |
| Control Units          | No control units               |
| Auxiliary Contacts     | 1 NO + 1 NC                    |
| Terminal Type          | Screw clamp terminals          |

### Environment

|                |                          |
|----------------|--------------------------|
| Enclosure Type | Not rated (open device)  |
| Certifications | CSA<br>UL Listed<br>NEMA |

### Ordering and shipping details

|                   |                                  |
|-------------------|----------------------------------|
| Category          | 21192-8502,36 SC,SD(NOT S*R,T,W) |
| Discount Schedule | CP1                              |
| Returnability     | No                               |
| Country Of Origin | MX                               |

### Packing Units

|                        |     |
|------------------------|-----|
| Unit Type Of Package 1 | PCE |
|------------------------|-----|

Price is "List Price" and may be subject to a trade discount – check with your local distributor or retailer for actual price.
