

# Product data sheet

Specifications

SQUARE D

## Non-Reversing Starter Size 1, 3-Pole, Melting Alloy Overload +Options

8536SCO3V02SX30Y342

Discontinued

### Main

|               |               |
|---------------|---------------|
| Product Type  | Starter       |
| Product Range | S             |
| Starter Type  | Non reversing |

### Complementary

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Nema Size              | 1                                                                      |
| Rated Current          | 27 A                                                                   |
| Number Of Poles        | 3P                                                                     |
| Maximum Voltage Rating | 600 V AC                                                               |
| Phase                  | 3 phase                                                                |
| Type Of Overload       | Melting alloy 3                                                        |
| Horsepower Rating      | 7.5 HP 200 V AC<br>7.5 HP 230 V AC<br>10 HP 460 V AC<br>10 HP 575 V AC |
| Coil Voltage           | 110 V AC 50 Hz<br>120 V AC 60 Hz                                       |
| Control Circuit Type   | Separate control circuit                                               |
| Control Units          | No control units                                                       |
| Auxiliary Contacts     | 3 NO                                                                   |
| Terminal Type          | Screw clamp terminals                                                  |

### Environment

|                |                          |
|----------------|--------------------------|
| Enclosure Type | Not rated (open device)  |
| Certifications | NEMA<br>UL Listed<br>CSA |
